Tasting Notes: 2021 Aviatrix Red Wine (tasted 1/31/25 by Heidi)

Dark blackberry in color—ripe fruit aromas come through first along with layers of black pepper, blackberry jam, juicy plums, baking spice, and toast. Big and bold across the palate with wonderful chewy texture—a subtle grainy character I love. Flavors are similar to the aromas of dark fruit with some peppery spice. Moderate tannins that are soft, and a medium oak level to balance the fruit. Good length and persistent flavors. A deliciously satisfying red blend.

Aviatrix wines are dedicated to the intrepid women throughout the history of aviation, who surpass society's expectations and limitations to soar to new heights. An 'Aviatrix' is a female aviator – Heidi is a helicopter pilot as well as a winemaker. We are proud to offer this meaningful wine and carry on family tradition with our mother-daughter winemaking collaboration. In addition to this Red Blend, we currently have Albarino, Cabernet, and Grenache available through Aviatrix, as well as our line of La Sirena wines. Production is always small, focusing on fine wines of purity and excellence. We hope Aviatrix will inspire you to soar!
